

To all at Bowles Roofing, 6-3-2005

I just had to thank you all for the wonderful job you did on my roof. The whole experience with your company was a pleasure. Everyone I dealt with was so pleasant and helpful. I especially have to commend Keith. From the beginning he was so thorough. He explained every single thing to me and I really appreciated how nice he was.

Doing business these days is often very disappointing so I wanted to be sure and let you know it was a pleasant surprise to deal with a group of people who are so professional and completely ethical. I hope your company continues to prosper - you all deserve it.

- Thanks! Molly Powell
