TO ) Ms Teresa  
Bowles Roofing

Our check #1127, dated 29 March 05 and for roof repairs today.

Thank you, Teresa, for sending Jim for this job. We wish to comment on this man's expertise in roof repairs. He is "tops" in any league of re-roofers.

Nothing is left undone and with the love hot day today, we are happy to have this work completed and thank you for your help. It is appreciated.
