Dear Bowles Roofing,

I want to thank you so very much for your kind heart. My God bless you, all your staff, and all your loved ones. I asked God to help me on this; I truly was not thinking I would be blessed like this. You are an angel, I'm sure, and I want you to know that your workers are very good people and they did a great job. And I have told others how good the job was done. If anyone wants to know how good your company is, just have them call me.
